

HEALTHY AGEING

SERVICE	REFERRAL INFORMATION
HACC SERVICES	Eligibility
<p>This service is for patients/patients 18 years and older who are HACC eligible.</p> <p>Services include:</p> <p>Continence Advisory Service - Patient has significant continence issues that have resulted in falls or other medical issues e.g. multiple UTIs, requiring multi-disciplinary assessment and treatment.</p> <p>Falls and Balance Intervention Program in Community Health Centres Patient does not require investigation and would benefit from therapy provided by Allied Health professionals (including Finding Your Feet program). See Falls and Balance referral form for other options.</p> <p>STAR Group Senior Therapy Activity and Recreational Group/Centre based Diversional Therapy.</p> <p>Home Care Domestic Services Patient requires domestic assistance (fortnightly service)</p> <p>Enquiries: Please call 1300 668 936</p>	<p>HACC Eligible Patients Only – A frail older person with a moderate to severe disability, a younger person with a moderate to severe disability, or a carer for either of the above persons, requiring support to be more independent at home and in the community, thereby enhancing their quality of life and/or preventing their inappropriate admission to long term residential care.</p>
	Pre-Requisite Tests
	Specific considerations for referral (please indicate on referral)
	<p>Is a Team Care Arrangement requested? It is not a requirement of the program that a TCA is completed. GPMP/TCA can be reversed for any private provider referrals that may be required throughout the year.</p> <p>How long has the patient had this diagnosis or are they newly diagnosed?</p> <p>Does this patient have co morbidities that restrict what exercise can be encouraged during group or individual education? <contraindications to exercise></p> <p>Medical History</p>
